

Dear Centercourt Athletic Club Members:

The outdoor tennis courts are open for play. On courts nine through twelve, spring maintenance is completed, and we plan to have courts five through eight, spring maintenance completed next week. The courts are in great shape; improvements include freshly painted fencing, fence renovations, and new windscreens. We are asking members to enter the courts through the back road/path that runs behind the outdoor field house during the construction period.

Construction is in full swing on the outdoor club facilities including the removal of the existing outdoor pool, the pools will be completed in mid-June, footers for the new spectator decking, and interior renovations to the field house. Plans are for the lower level of the field house, locker rooms, pool grill, and courts one through four to be open for Memorial Day weekend.

Our new fitness center is open and ready for use located at the indoor tennis clubhouse. The fitness center features new life fitness weight and cardio equipment.

We will be having a pre-season outing to kick off our men's tennis doubles league season on Saturday, April 19th. Play will begin at 10:00 a.m. All levels of play are encouraged to come as I will have the CAC professionals filling in for play as well. My staff will be answering specific questions concerning the summer league teams and tennis programs for our men players. We will be serving complimentary bagels, muffins, coffee and juice. If you plan to participate please email me at clay@centercourtclub.com
